### [The Official Newsletter for the Junior & Small Fry Anglers of Victoria](#)

Hi one & all.

## **WOW !!!**

What a month it has been for a couple of the anglers this Month.

Jack Stockdale & Brayden Richardson from the South Gippsland Game Fishing Club had a tremendous month with some excellent captures of Mako & Blue Sharks.

Brayden continued on with his form from last month & during recent Club outings, Captured 2 Blue sharks (46.7Kg on 6Kg, 43.75Kg on 10Kg) & 2 Mako sharks (24.2Kg on 8Kg, 44.55Kg on 15Kg).

Jack also had a great month landing a Blue Shark of 38Kg on 10Kg line which is a pending Club, State & Australian Record. Jack is pictured here with his Shark. Congratulations

All very good captures & well done to both of you.

Special thanks must also go to Dad & Mum for being able to take them fishing especially when I know that the Dads also want to get in on the action.

I have heard a whisper that there has already been a further shark tagged during one of the recent tournaments so look out for the newsletter next month.

The Rhyll tournament has just been held with numerous sharks tagged & 1 pending record Bronze Whaler shark weighed. The San Remo competition will be held in March so hopefully the weather stays fine, the water temperature good so we can get some more Captures and Tag & Releases.

Tight Lines & Good Fishing
